Accreditation Number: **EXP716**

SCHEDULE 1

Conditions of Accreditation

1. The accredited producer must comply with the Meat and Poultry Food Safety Scheme in respect to meat, poultry and game processing and the primary production of meat.
2. Each activity authorised by this accreditation must be undertaken in accordance with an approved food safety program.
3. Subject to conditions 1 – 2 above, the primary production activities authorised by this accreditation are to be undertaken at the following premises or place –
 - (a) the business address and site location(s); and
 - (b) in respect to the transport of meat and meat products, anywhere within Australia.
4. The accredited producer must allow an approved food safety auditor to enter any premises or place referred to in condition 3, or in any vehicle being used for the transport of meat or meat products by the accredited producer, to conduct audits required under the Act.
5. The accredited producer must pay, in accordance with the requirements of the Chief Inspector, the reasonable costs and expenses associated with audits conducted under the Act.
6. Meat and meat products produced under this accreditation must be branded in accordance with the requirements of the Department of Agriculture, Water and Environment and the conditions of registration as an Export Registered Establishment.
